

This aerial map, generated by Google Earth, illustrates a proposed construction project in a residential neighborhood. The project area is highlighted in red and yellow, showing a bulkhead and boardwalk along a waterway. Key features and labels include:

- PROPOSED BULKHEAD & BOARDWALK:** Indicated by a red dashed line along the water's edge.
- PROPOSED SCENIC PULL OUT AREA:** A yellow-shaded rectangular area adjacent to the bulkhead.
- NATURAL EXISTING SLOPE GRADING:** A yellow-shaded area with a 7.5% slope.
- PROPOSED FILL MATERIAL:** A yellow-shaded area labeled "COMPACTED GRADED & DRESSED (12/100 C.V.)".
- Dimensions:** Various measurements are provided, such as 525', 120', 62', 7.5', 800', 1008', 102', 65'-0", 17'-0", 16'-0", 19'-0", 7'-0", and 8'-0".
- Streets:** Labeled streets include Bayou Lafourche, Canal Rd, Canal St, Jefferson St, Congress St, Franklin Ave, and Dr Martin Luther King Dr.
- Location:** The map is centered on Napoleonville, Louisiana, with a red dot marking the location.
- Google Earth Interface:** The top of the image shows the Google Earth navigation controls, including a compass, a scale bar, and a street view pegman.
